**III. UPDATES**

This agreement is developed using the Shasta College 2019-20 Shasta College Academic Catalog, the 2019-20 CC Academic Catalog and the current General Articulation Agreement between the two institutions. The very nature of higher education results in periodic curriculum changes. Should these changes occur to either the Shasta College AA-T Psychology degree or the Columbia College BA Psychology degree, the institution with the change will notify the partner institution and a new Education Plan will be developed, if necessary.
