Students can also earn one of several General Studies degrees (Emphasis in Basic Business, Human Development, Language Arts, Office & Computer Technologies (w/online), Public Safety and Services, and Social Sciences). These are helpful when courses are on a two-year cycle and students missed a course. They can still graduate with the 18 unit major/emphasis for that area.

They can also earn the transfer University Studies degrees in a number of areas. These have a more flexible general education option (Option 3), and a more flexible emphasis. The degrees work for students transferring out-of-state, private (Simpson), or missing a course or two for an ADT degree. These can be earned with the ITV sequence: University Studies – Behavioral Science, Business Administration, Child Development (to be discontinued), Criminal Justice, Language Arts, Social Sciences.
