Associate Degree Nursing Program Practice
TEAS Procedure for Testing and Remediation

- **Required** for Shasta College ADN Program Application and Enrollment
- **Testing** can be completed at Shasta College Assessment Center call to schedule an appointment 530-242-7751
- Students are requested to fill out and submit a TEAS Pre-Screening form online.
  - Shasta College pays for approximately 75 TEAS exams a year for students who are first time test takers and applying for the Shasta College ADN program. Cost incurred for repeating exams or when taking the exam for another college will be sole responsibility of the student.
- **Study materials** and online practice assessments tests are available at multiple sites on line. ATI online [www.atitesting.com](http://www.atitesting.com) or 1-800-667-7531
- **Students are responsible for ensuring Shasta College access to their scores if taken at another test site.** They can request an official transcript of TEAS scores to be sent to Shasta College from ATI online at [www.atitesting.com](http://www.atitesting.com). ATI will charge a transcript fee. Shasta College will not accept unofficial copies of test results from students or other colleges.
- **Multiple test attempts** and when the test was last taken is included with the reported test results. Only the first/earliest test results within a 12-month period are utilized for pre-admission assessment. Students must present evidence of acceptable remediation as described in the TEAS Policy under “Individualized Remediation Plans.”
- **Scoring Parameters:** A composite score of 62% is the required “passing” score as established through the CCCCO. Different scores are set by California State University and some private programs.
- Student with composite scores above 62% in each component are eligible to apply. Any students with either: 1) a composite score of 62% of above but have scores below 62% in any section of the TEAS or 2) a composite score below 62% are required to remediate in order to be considered for eligibility to apply.

In order to schedule your remediation appointment, please email the Health Sciences Division at [hsupconnect@shastacollege.edu](mailto:hsupconnect@shastacollege.edu). Be sure to include your full name, phone number, student ID number, and location where you took the test. If you took the TEAS anywhere besides Shasta College, please contact ATI TEAS and have an official transcript sent electronically to Health Sciences prior to contacting the division.
