Thank you for taking the time to attend and enjoy our Athletic Programs! We are very proud of all of the student-athletes and coaches that comprise the 17 intercollegiate sports currently offered at Shasta College. We are committed to seeing our student-athletes succeed on the field but, more importantly, in the classroom. I hope you enjoy watching our teams compete while also remembering the demands these student-athletes must balance with their respective sport and their academic responsibilities.

I have enjoyed watching many of our student athletes over the past seven years as they demonstrated their abilities and showed a strong commitment to our college and the programs it offers. Our dedicated coaches, faculty, staff and administration work tirelessly to provide many opportunities for our students to develop stronger character, leadership and teamwork skills that will serve them in the many fields in which they will work upon transfer or graduation. All of us at Shasta College recognize and appreciate the tremendous community support of our athletic program and join you as you help our students gain the skills and abilities not only to succeed, but to thrive after college. I wish all the best to our athletes, teams, coaches and support staff. Go Knights!

Physical Plant

Shasta College is very proud of our fields and grounds staff. These dedicated transportation professionals are responsible for keeping all of our athletic fields in top shape. Kele Fitzhugh
Head Coach

Coach Fitzhugh has been at the helm of the Knights since 1997. During his tenure at Shasta College, he has been able to capture six conference championships. Prior to Shasta College, he spent nine seasons as the Head Assistant Coach at California State University, Chico under the legendary Head Coach Puck Smith. As a Grass Valley native attending Nevada Union High School, he played for Kermit Young. After high school, Coach Fitzhugh attended Weber State College in Ogden, UT and played for Neil McCarthy before finishing his career at Chico State under Coach Pete Mathiesen.

Coach Fitzhugh has thoroughly enjoyed his time here and was drawn to Shasta College because of the Redding community. “I view it as a large city with a small town atmosphere that promotes and supports its local community. The community has been very supportive of our program and of me. This is directly responsible for the successes of our programs and of the individuals who participate in sports at Shasta College. Many past athletes have stated that they wished it was a four-year institution so that they could have stayed longer. During my time of need, the local and Shasta College community supported me and my family and that is something special that I will never forget. I appreciate those who were supportive and I can’t thank them enough.”

Kele is married to Karin Fitzhugh, who is a Physical Education teacher at Enterprise high school, where she also coaches volleyball. They have two children, Karle, who graduated from Shasta High School, Shasta College and Sacramento State University and is presently completing her teaching credential at Chico State University; and Andrew, who graduated from Enterprise High School and Shasta College and is now playing basketball and completing his Bachelor’s Degree in International Business and Logistics from CSU Maritime.

The Shasta College Knights are looking forward to an eventful 2015-16 basketball campaign. They have six inspirational veterans and nine eager newbies!

Coach Fitzhugh has made a major change in his pre-season schedule. The Knights are keeping two tournaments on their schedule from the past: The Shasta Invitational, which has been labeled one of the most competitive pre-season tournaments in the north state, and the College of the Siskiyou's Classic. They are adding four (4) new tournaments this season. Coach Fitzhugh feels that “We had fallen into a rut and needed something different to help get back to our successful ways. It is fun and exciting to go to new environments and see different styles of play. I hope it brings a new level of concentrate and enjoyment for our players.”

The Knights felt their performance last season was not up to their potential. Using it as motivation, the sophomores have entered this season with more urgency and higher expectations for themselves and their new teammates. Coach Fitzhugh feels that the sophomores understand the expectations placed on them and are eager to demonstrate their worth. The veterans realize the importance of establishing team chemistry and have taken on leadership roles early in the process. They are focused on establishing a strong group work ethic. “It is always a challenge to blend new players with the old, but this group of freshman has been open to developing and learning from their experienced teammates” says Coach Fitzhugh.

Returning sophomores include:

Brett Cloney, a Foothill High School standout that is starting to realize his true potential. He has stepped out of his quiet demeanor to take a more aggressive approach to the game.

Darnell “Donny” Waters, from Oakland, CA. Donny has adjusted to Redding well this year. He was a starter last season, until he sprained his ankle. Donny is a quick and exciting player to watch.

Semaj Horace, a transfer from William Jessup University, tore his meniscus towards the later part of the season last year and had to miss a few of the last conference games. Semaj is a tough player that has the talent to go inside and outside. Looking for Semaj to have a strong season.

Ashton Pomrehn, a graduate from Arcata HS, is probably the most improved player of the group. He took it to heart when coach recommended that he improve his fitness level to improve his basketball productivity. Ashton worked out consistently this summer, running and shooting every day. He had a good showing during the summer and an outstanding showing at the fall showcase.

Kendall Dewees, is a transfer from Diablo Valley College. Kendall was asked to play out of position last season, but with the Knights adapting their offense to better suit their players, look for Kendall to have a larger contributing role.

Paul Smith-Profit, is a red-shirt sophomore that was injured early in the season last year. Paul is a strong and aggressive player whose presence will be welcome this year. The Knights are not a tall team, but it is the size of the fight that matters, and Paul likes to compete.

As the season progresses, Coach Fitzhugh expects the freshmen to increase their contribution to the team. “These freshmen are skilled, athletic, unselfish and eager to contribute. They play well together and their eagerness to learn and develop has made me very excited about the team's future.”

WOMEN’S BASKETBALL

Coach Jerry Brown has been the head coach of the Lady Knight’s since 1994. Coach Brown was named Northern California Coach of the Year in 2000 for leading the Knights to a school record-breaking 33-4 record. The Knights had a season in 2000 that will be hard to duplicate. Most wins ever with 33, undefeated in the GVC at 10-0, number one ranking in the north, number two ranking in the state, state tournament play-off victories against Fresno City College, College of the Siskiyous, College of the Canyons, and San Jose City College. The Knights only flaw that year was the 71-68 defeat in the state championship game to undefeated Ventura College. Coach Brown is a Mt. Shasta High School graduate and a 3 time league MVP. He was an All-American his senior year. Coach Brown then played basketball on a scholarship at San Diego State University. Jerry was named team captain his senior year at SDSU. After college Coach Brown played professional basketball in Norway and then returned to San Diego to coach both the boy’s and girl’s teams at Mt. Miguel High School. After staying at Mt. Miguel for 3 years Coach Brown then returned to Mt. Shasta and coached there for 4 years before coming to Shasta College where he has been a great asset to our Athletic Program.

Assistant Coach Stacy Mizuta has been a part of the Lady Knights Basketball Program since the 2010-11 season. As a 1991 graduate from North Valley Christian High School, she earned League MVP her junior and senior years. She played basketball here at Shasta College where she earned a spot on the All-Conference team. Stacy was inducted into the Hall of Fame in 1996. She coached a varsity basketball at North Valley Christian High School for six years, receiving Coach of the Year in three of those six years. Coach Mizuta resides in Redding with her husband, Eli, and five children, Kalani, Keanu, Kaleia, Kekoa, Kamalia.

WOMEN’S BASKETBALL

SHASTA COLLEGE WOMEN’S BASKETBALL
2015-16 OUTLOOK

The Lady Knights are coming off a second straight 3rd place finish in the Golden Valley Conference and will look to contend for the GVC Championship this year. It will not be easy however, as the team must find a way to replace three starting players. Stepping up to lead this year’s Lady Knights will be six sophomores and eight freshmen. Head Coach Jerry Brown and Assistant Coach Stacy Mizuta feel that this group of young players will only get better as the returning sophomores and incoming freshman spend time together on and off the court. Coach Brown also feels that having a tough early season schedule will only accelerate that process.

Back Court:

The Lady Knights back court has three sophomores: Rachel Silva, from Corning High School, who was a part-time starter as a freshman. Erin Selleck, who transferred from Simpson University, will bring experience to the Point Guard position. And Emily Tiedeman comes back for her sophomore season as a much improved player. Joining in the back court will be three freshmen: Janae Gray, Katherine Freitas, and Mikayla Harmer. Gray is from Enterprise High School where she was a four-time All-Conference Player and one of the best three-point shooters in the North State. Freitas comes to the Knights from Durham High School where she lead her team to a Section Championship her senior year. She was also a two-time All-Conference player. Harmer joins the Knights from Liberty Christian after taking a year off.

Front Court:

The Lady Knights front court returns three players: Baylee Toney, Amanda Webb, and Grace Fox. Toney returns for her sophomore year after being named to the All-Freshman Team and All-Golden Valley Conference Team. She is one of the hardest working players to ever play for the Lady Knights. She will be counted on to provide leadership on and off the court. Webb returns to the Knights as a very determined player. Coach Brown feels she has the ability to be one of the best post players in the league this year. Fox comes back to the Knights after tearing her ACL half-way through her freshman year. Grace was one of the top players in the North coming out of Foothill High School. Coach Brown is very happy to have her back. Joining these sophomores in the front court will be Julia Hill, Gates Fears, Mariah Van Horne, Brianne Schlapia, and Taylor Hayward. Hill comes to the Knights from Enterprise High School where she was the starting post her senior year. She will be counted on to bring solid play to the Knights front court. Fears joins the Knights from Corning High School. Gates is an under-sized post player that plays much bigger than she is. Van Horne from Yakma, WA brings hard work and energy to the Knights. She is only getting better and better, we are very happy to have her. Brianne Schlapia comes to the Knights after taking 3 years off. She was one of the best three-point shooters in the league her senior year at Central Valley High School. Taylor Hayward, from West Valley, is working very hard every day and the Lady Knights are happy to have her.
