SPECIAL NOTE TO STUDENTS:  Once your registration paperwork has been processed by a Reg Clerk, you are considered enrolled.  Failure to proceed to cashier stand or to attend class does not necessarily mean you have been dropped from class.  DROPPING CLASS(ES) IS THE RESPONSIBILITY OF THE STUDENT.

FEES:  (Note: See important information on PAGE 9 concerning various Financial Aid assistance available that may help with fees)

1.  Enrollment Fee:  ***$18.00 per semester unit for all students meeting residency requirements***
   NOTE:  The Differential Fee (for students who have previously been awarded a baccalaureate or graduate degree) IS CURRENTLY NOT IN EFFECT PENDING ACTION BY THE STATE LEGISLATURE.  ALL STUDENTS WILL PAY THE SAME RATE (pending action by the State Legislature).
2.  Student Health Fee:  $10.00
3.  Campus Center Fee:  $15.50 (only for students enrolled in one or more classes offered at Shasta College main campus)
4.  Out-of-State Tuition:  $162 per unit

*** ALL registration fees are due and payable at the time of registration***

*** ALL FEES SUBJECT TO CHANGE BY THE STATE LEGISLATURE.  If the State Legislature enacts a fee increase retroactively, students will be billed for the difference.

REFUNDS:  The Enrollment Fee and/or material fees are refundable if class is dropped during the first 10% point of the length of the course.  IT IS THE STUDENT’S RESPONSIBILITY TO DROP CLASS(ES).  The Student Health Fee and Campus Center Fee are refundable if a student withdraws from college by the 10% point of the length of the course.  Students who are awarded a Board of Governors Grant (BOGG) fee waiver after they have paid their enrollment/health fee will be reimbursed only for the semester in which they are granted a BOGG fee waiver.  The BOGG fee waiver will not be applied retroactively to prior semesters.  Refunds will be mailed each month.  KEEP YOUR ADDRESS CURRENT.

Refunds for out-of-state tuition are prorated as follows:
Prior to and during the first day of instruction:  100%  During the first 25% of class meetings:  75%
During second 25% of class meetings:  50%  During third 25% of class meetings:  25%

NO OUT-OF-STATE TUITION REFUNDS WILL BE GIVEN AFTER THIS POINT

Telephone: (530) 225-4841

**A D D I N G  A  C L A S S:** Students may add a class through the 30 percent point of the class. After the first two class meetings, approval by the instructor is required to add the class, which includes both the signature of the instructor and the first date of attendance. **IT IS THE STUDENT’S RESPONSIBILITY to pick up the form from the Admissions and Records Office and take it to the instructor for approval.** The student must then return the form to the Admissions and Records Office or Extended Education Center for processing before the add is finalized.

**A S S E S S M E N T  T E S T I N G:** Please refer to page 5 for Assessment Testing Information.

**A T T E N D A N C E:** Students are expected to attend all classes. A student who fails to attend the first class meeting of a course without notifying the instructor may be dropped from the class. In addition, an instructor may drop a student during the first 30% of the class for non-attendance. Nevertheless, **IT IS ALWAYS THE STUDENT’S RESPONSIBILITY TO OFFICIALLY DROP OR WITHDRAW from the class.** Students who fail to file the necessary forms, even though they stop attending class, will be assigned a course grade.

**C L O S E D  C L A S S E S:** A closed class is one which has reached its maximum enrollment. The only way that a student is allowed into a closed class is with the instructor’s permission. The instructor verifies permission by signing a student add/drop form and including the date of first attendance. The form must be taken immediately to the Registration Center to finalize registration in the course.

**C O N F L I C T I N G  C L A S S E S:** The State of California will not allow students to enroll in classes that are held at the same time or that have overlapping times.

**C R I M E  S T A T I S T I C S:** The Annual Security Report is provided to help ensure a safe environment for our college community and prospective Shasta College students and employees. This document contains crime statistics for the previous three years in addition to valuable safety and security information. A complete copy of the Security Report may be obtained from the Information Center located in the Campus Center or from the Security Office located in Room 5015. The report is also available through our campus Website: http://www.shastacollege.edu/resources/security/crimstat.htm

**D R O P P I N G  C L A S S  W I T H O U T  R E C O R D:** Students may drop a class and have no notation appear on their transcripts through 30% of the class. **IT IS THE STUDENT’S RESPONSIBILITY TO DROP CLASS(ES).** The forms are available from Admissions and Records, Extended Education Centers, by mail or by calling the Admissions and Records Office. If a student intends to drop a class and stops attending but fails to file the necessary forms, a failing grade may be assigned by the instructor.

**F I E L D  T R I P / E X C U R S I O N  W A I V E R S:** Throughout the semester/school year, the District may sponsor off-campus, extra-curricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations Sub-Chapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

**R E P E A T I N G  C L A S S E S:** Students may not repeat a class in which he/she has received a satisfactory grade (A,B,C or CR) unless it is designated as a repeatable class. See the current Shasta College Catalog for detailed repeat policy.

**R E S I D E N C Y:** “In order to establish residence, it is necessary that there be a union of act and intent. To establish residence, a person capable of establishing residence in California must couple his/her physical presence in California with objective evidence that physical presence (minimum one year and one day) is with the intent to make California the home for other than temporary purpose.” (Title V, 54020) “The burden is on the student to demonstrate clearly both physical presence in California and intent to make California the home for other than temporary purpose.” (Title V, 54026) Students who have questions about their residency should contact the Admissions and Records Residency Technician before registering. All out-of-state tuition must be paid at registration.

**S P E C I A L  P A R T - T I M E  E N R O L L M E N T  (F O R M E R L Y  C O N C O N E N T  E N R O L L M E N T):** High school students wishing to enroll in Shasta College classes must have permission from their high school principal and follow instructions detailed on the form. Forms are available at local high schools. Advance approval of students in 10th grade or lower by the Admissions and Records Office Manager is required before registration. All special admit students should review college assessment test requirements as noted on the enrollment form.

**T R A N S P O R T A T I O N  N O T I C E:** Some classes may be held off campus. Unless you are specifically advised otherwise, you are responsible for arranging for transportation to and from the class site. Although the District may assist in coordinating the transportation and/or recommend travel time, route or caravanning, be advised that the District assumes no liability or responsibility for the transportation, and person driving a personal vehicle is NOT an agent of the District.

**W I T H D R A W I N G  F R O M  A  C L A S S  W I T H  A  “ W ” G R A D E:** Students may withdraw from the class after the official “drop” date and up through 75% of the class. The notation “W” will appear on the student’s transcript and will not be used in calculation of grade point average. Excessive “W’s” shall, however, be used as factors in probation and dismissal procedures. **IT IS THE STUDENT’S RESPONSIBILITY TO OBTAIN FORMS AND SUBMIT THE NECESSARY PAPERWORK TO WITHDRAW FROM CLASS(ES).** Forms are available from Admissions and Records and the Extended Education Centers. Students who have not dropped or withdrawn from class before the end of the fourteenth week or 75% of the term will be assigned a course grade.
Frequently Asked Questions about Advisories and Limitations on Enrollment (Including Prerequisites/Corequisites) at Shasta College

What is an “advisory on recommended preparation”?

Advisories are intended to identify skills which will broaden or deepen a student’s learning experience, but without which the student can still succeed in the course. The college does not block enrollment in a course for lack of advisory skills.

Where can I find advisories for each course?

If a class has an advisory, it will be stated as part of the course description in the Catalog, and will be listed with the course in the Schedule of Classes.

What is a “limitation on enrollment”?

All courses are open to enrollment to any student who has been admitted to the college, with the following exceptions. Title V Section 58106 allows the college to limit enrollment in specific courses or programs by using: 1) prerequisites and corequisites; 2) health and safety considerations; 3) practical considerations such as facilities limitations, faculty availability and funding limitations; 4) registration systems such as a first-come-first-served, or priority system; 5) statutory, regulatory, or contractual requirements; 6) auditions and tryouts for intercollegiate competition, honors, or public performances courses, 7) blocks of courses for cohorts of students.

NOTE: Shasta College enforces limitations on enrollment.

How do I know which classes have limitations on enrollment?

If a class has a limitation on enrollment, it will be specifically stated as part of the course description in the Catalog, and will be listed with the course in the Schedule of Classes.

What is a “prerequisite” or “corequisite”?

"Prerequisite" means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. (Title V, Section 55200(a)) Such a condition of enrollment can be a course or other preparation a student must have before being permitted to enroll in a target course. Prerequisites provide the student with knowledge and/or a set of skills that substantially increase a student's success. For example: Introduction to Managerial Accounting (ACCT 4) has a prerequisite of Introduction to Financial Accounting (ACCT 2) with a grade of "C" or higher.

There are two types of corequisites: two-way corequisites and one-way corequisites. A “two-way” corequisite is when two (or more) courses are so intertwined that neither course stands alone. A student would not have a reasonable chance to be successful in either course without being concurrently enrolled in both courses. A “one-way” corequisite is when one of the courses depends on the content of the other course, but not vice-versa. Here, only one course would list the other as a corequisite. Often, with one-way corequisites, if you have previously completed the corequisite course, you may be qualified to enroll in the target course.

Why does Shasta College enforce prerequisites and corequisites?

We are legally required to enforce prerequisites. The Shasta College faculty has carefully selected prerequisites by evaluating the skills and concepts needed for success in a target course. They are intended to ensure that a student has a reasonable chance for success. For these reasons, enforcement of prerequisites is in the interest of all students.

How can I satisfy a Prerequisite?

There are three ways you can satisfy a prerequisite at Shasta College.

1. You received a grade of C or higher in the prerequisite course at Shasta College.
   A. If you completed the prerequisite course with a grade of C or higher, you will be allowed to enroll in the target course (as long as space is available.)
   B. If you are currently enrolled in the prerequisite course at the time of registration, you will be allowed to conditionally enroll in the target course (as long as space is available). However, when grades are submitted at the end of the semester, if you did not receive a grade of C or higher in the prerequisite course, you will be dropped from the target course.

Registration Questions? Contact Admissions and Records at (530) 225-4841
General Questions? Contact the Information Center at (530) 225-4769
2. You satisfied the prerequisite through Course Equivalency.

There are three ways to satisfy a prerequisite through Course Equivalency: 1) You received a grade of C or higher in an equivalent course at another college, 2) You have a qualifying score on the AP Exam, or 3) You received CLEP credit for the prerequisite course. (For further information about AP Exam scores and CLEP credit, see a counselor, or refer to the Catalog.)

If you believe you have satisfied the prerequisite through Course Equivalency, then before registration, you should contact Admissions and Records staff, who will direct you through the Course Equivalency Procedure. It is your responsibility to provide supporting documentation, such as transcripts and course description(s) from your previous college(s). You will be allowed to enroll conditionally in the target course for ten working days. If, at the end of ten working days, you cannot provide documentation that you have met the prerequisite through Course Equivalency, then you will be dropped from the course.

3. You satisfied the prerequisite through Multiple Measures.

Shasta College recognizes that you may have gained the prerequisite skills for some courses by means other than the two mentioned above. For example, you may have completed high school courses that covered the same topics as the prerequisite course. Or, perhaps you gained the prerequisite skills through work experience. Whatever the means, if you have gained skills that are equivalent to those that you would get by taking the prerequisite course at Shasta College, you should take your supporting documentation to a Shasta College counselor before you try to register. The counselor will direct you through the Multiple Measures Procedure.

Note: If you are attempting to register in a course that has Math, English or Chemistry as a prerequisite, then part of the Multiple Measures Procedure might include taking an Assessment Test at the Assessment Center. You are free to take the Assessment Test before you see your Counselor.

Note: Because you will be unable to enroll in the target course until a counselor determines that you have satisfied the prerequisite through Multiple Measures, it is in your best interest to see a counselor before attempting to register for the course.

Note: If you have a disability and believe that you could be successful in the class with reasonable accommodations then see the Counselor for Disabilities, or Learning Disability Specialist, (530) 225-3973, before attempting to register for the course.

What is a Placement Level Number?

In some cases, such as in Math and English, the prerequisite is stated in terms of a Placement Level. Your Placement Level is a number that is based on many factors which may include high school course work and Assessment Test scores. You will be assigned a Placement Level after completion of the Course Equivalency and/or Multiple Measures process.

I failed a class and wish to repeat it, but I didn't have the prerequisite when I took the class in the first place. Can I register again for the same class without the prerequisite?

No. Now that Shasta College is enforcing prerequisites, we are required to enforce them for all students. You must take the prerequisites for the class.

Can I challenge a prerequisite or corequisite?

Yes, you can. The five grounds for a student to challenge a prerequisite or corequisite are:

1) The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite
2) The prerequisite or corequisite has not been established in accordance with the district’s process for establishing prerequisites and corequisites
3) The prerequisite or corequisite is in violation of Title V
4) The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner
5) The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available, or accessible. For a full description see Title V Section 55201(f).

If you believe you have grounds for filing a challenge, go to the Office of Admissions and Records for information on the Prerequisite Challenge Procedure. If you choose to file a challenge, you have the responsibility of showing that grounds exist for the challenge.

Note: If you are citing reason # 1 as the basis for challenging the prerequisite/corequisite, you must first have failed to meet the prerequisite/corequisite through the Multiple Measures Procedure. You should seek advice regarding the challenge from a Counselor.
Prerequisite/Corequisite Challenge Procedure

The student will obtain a Prerequisite/Corequisite Challenge Form at the Admissions & Records Office. The Office of Instruction will retain documentation of Board Policy and Title V regulations regarding prerequisite/corequisite challenges. A student may review this information prior to submitting a Prerequisite/Corequisite Challenge Form. A student who chooses to challenge a prerequisite or corequisite may do so for any of the following reasons:

1. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
2. The prerequisite or corequisite has not been established in accordance with the district’s process for establishing prerequisites and corequisites;
3. The prerequisite or corequisite is in violation of Title V;
4. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available, or accessible;

If a student is citing reason #1 as the basis for challenging the prerequisite/corequisite, the student must first have failed to meet the prerequisite/corequisite through the Multiple Measures Procedure.

A statement of specific skills and abilities needed to enter the class for which the challenge is being issued will be made available to the student through the Office of Instruction on any workday.

The student must complete a Prerequisite/Corequisite Challenge Form. The student must attach a completed and signed Multiple Measures Form to the Prerequisite/Corequisite Challenge Form. The student must return these forms along with the other supporting documentation to the Director of Admissions and Records. The student has the obligation to provide satisfactory evidence that the challenge should be upheld. Without supporting documentation, the application for a challenge will be considered incomplete and the challenge will be denied. When a complete application is filed, the Director of Admissions and Records will forward the Prerequisite/Corequisite Challenge Form and supporting documentation to the appropriate Academic Center Office. The Academic Center staff will arrange a Challenge Hearing.

If the challenge form is submitted during the period when the student is eligible to register for the course, and if space is available, then the student will be conditionally enrolled in the target course until resolution of the challenge is complete.

Two or more faculty members will conduct the Challenge Hearing. If possible, the faculty members will be from a discipline closely related to the target course. The student will have the right to attend and speak at the Challenge Hearing. Staff from the appropriate Academic Center Office will attempt to notify the student regarding the time and location of the Challenge Hearing at least one business day prior to the start of that hearing. The results of the Challenge Hearing will be documented and forwarded to the student and to the Admissions & Records Office within five business days from the date that the challenge was filed with the Director of Admissions and Records. If the college has not made a decision within five working days then the student’s challenge is upheld and the Admissions & Records Office will allow the student to enroll in the course.

If a student is citing reason #2, #3, #4 or #5 as the basis for challenging the prerequisite/corequisite, the student must submit a completed Prerequisite/Corequisite Challenge Form along with supporting documentation to the Vice President of Academic Affairs in the Office of Instruction.

The student has the obligation to provide satisfactory evidence that the challenge should be upheld. Without supporting documentation, the application for a challenge will be considered incomplete and the challenge will be denied. When a complete application is filed, the Vice President of Academic Affairs will conduct a Challenge Hearing. This hearing will include as voting members, the Vice President of Academic Affairs, one faculty from the Curriculum Council and one other faculty, preferably from a discipline closely related to the target course.

The student will have the right to attend and speak at the Challenge Hearing. Staff from the Office of Instruction will attempt to notify the student regarding the time and location of the Challenge Hearing at least one business day prior to the start of that hearing. The results of the Challenge Hearing will be documented and forwarded to the student and to the Admissions & Records Office within five business days from the date that the challenge was filed with the Vice President of Academic Affairs. If the college has not made a decision within five working days then the student’s challenge is upheld and the Admissions & Records Office will allow the student to enroll in the course.

Note 1: Students who submit a Prerequisite/Corequisite Challenge Form claiming that a specific disability is a factor in their challenge rationale must forward a copy of the Prerequisite/Corequisite Challenge Form to the Disability Resource Center. The Disability Resource Center will determine if accommodations or academic adjustments are warranted.

Note 2: Students who initiate the challenge procedure during registration may obtain the Prerequisite/Corequisite Challenge Form at the registration site and submit the completed form along with supporting documentation at that site. If space is available, the student will be provisionally enrolled in the target course until resolution of the challenge is complete. Staff at the registration site will time-stamp the form and forward it to the Director of Admissions & Records, or to the Vice President of Academic Affairs as appropriate. The Challenge Procedure will then proceed as outlined above.

SHASTA COLLEGE ASSESSMENT SCHEDULE

Student Test Sample Questions for Math, Reading and Writing are available through the Internet at: www.act.org/compass

All first-time nonexempt* students will need to take the math and the reading/English assessment. Your scores are valid for two years, and will be given to you at the completion of your assessment. Assessments are offered on the Shasta College campus in the **Assessment Center, Room 102 in the Administration Building**, at the Extended Education Centers, and at selected high school campuses. Assessments may be taken separately on different days or all at the same time.

**At the time of assessment, all students must:**

- Provide photo identification (i.e. driver’s license, student body card, passport, work badge)
- Know your social security number
- Have an application on file at Admissions and Records

The **Assessment Center, Room 102** in the Administration Building, is open Monday through Friday and on selected Saturdays, except for posted holidays. No appointment is needed. The assessment is on an individual basis and no pre-registration is required. Seating is limited and available on a first come, first served basis. The writing, reading, and math assessments are on computer and do not have a time limit, but expect to spend approximately two hours to complete all three sections. The math portion of the assessment provides the student with an on-screen calculator. We also have both standard and scientific calculators available. Ask staff if you wish to use one.

Assessments are available at the **Extended Education Centers**. Please contact your local center for more information regarding availability and scheduling.

- Burney Center: (530) 335-2311
- Red Bluff Center: (530) 529-8980
- Weaverville Center: (530) 623-2231

*Students may be considered exempt from assessment by any one of the following methods:
- Documentation of prior completion of Associate Degree or higher.
- Propose to enroll only in courses for which Shasta College Curriculum Committee and Academic Senate have determined there are no skill prerequisites.

**For English as a Second Language (ESL) Testing**

ESL Testing at Shasta College can be scheduled by calling Carrie Schurig at 225-4828 or Susan Sawyer at 225-4765.

Students who have a learning disability or physical disability and need accommodation should call DSPS at (530) 225-3973 to make arrangements.

Financial Aid

Shasta College has an extensive financial assistance program designed to assist you if you are unable to pursue your education without such help. Grants, loans, part-time employment and scholarships are available to meet the difference between what you and your family should reasonably be expected to provide, and the expected cost of attending Shasta College. (Related literature is available in the hall outside the Financial Aid Office).

Summer hours for the Financial Aid Office located in Room 108 will be Monday – Thursday 8A-5P and closed Fridays.

Board of Governors’ Grants are available for qualified students unable to pay the Enrollment Fee. File an application with the Financial Aid Office and the Admissions and Records Office. Veterans interested in receiving benefits during the summer intersession should contact the Financial Aid/Veterans Office. To receive State and Federal Grants for the Fall 2004 and Spring 2005 academic school year, APPLY NOW! The student must complete the “FREE APPLICATION FOR FEDERAL STUDENT AID” available in the Shasta College Financial Aid Office.

The BOGG Fee Waiver helps students with the enrollment fee of $18 per unit. Waiver applications are available in the Financial Aid Office. If, after completing and submitting the short application to the Financial Aid Office, the student is eligible, the cost of registration could be as low as $15.50. There are three ways to qualify for enrollment fee assistance:

1. If you fall within these income levels:

<table>
<thead>
<tr>
<th>Number in Household (including yourself)</th>
<th>2003 Total Family Income (Note: Subject to change)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>$13,470 or less</td>

</tr>
<tr>
<td>4</td>
<td>$27,600 or less</td>
</tr>
<tr>
<td>+</td>
<td>Add $4,710 for each additional dependent</td>
</tr>
</tbody>

Compliance Statement

The Shasta-Tehama-Trinity Joint Community College District complies with the California Education Code, Title V of the California Code of Regulations, all pertinent titles and sections of the Civil Rights Act of 1964, Title IX regulations, the Education Amendments of 1972, the Rehabilitation Act of 1973, the American with Disabilities Act, and all other applicable federal, state, and local laws. In so doing, Shasta College does not discriminate on the basis of race, color, ethnic group identification, marital status, religion, national origin, gender, age, physical and mental disability. Such nondiscrimination policies extend to all of the functions and activities of the College District including employment, educational programs, service and activities. The District further complies with those state and federal regulations, which prohibit sexual harassment in employment and in the classroom. The Personnel/Affirmative Action Office is responsible for ensuring fair and equitable treatment. The office is located in the Administration Building, Room 121, telephone number 225-4656. Students with complaints of discrimination related issues may contact the Office of Student Development or the Personnel Affirmative Action Office. For further information regarding Section 504 of the Rehabilitation Act, contact: Mr. Thomas Morehouse, Section 504, Coordinator, Rehabilitation Act, Director of Disabled Students Programs and Services, Shasta College, 11555 Old Oregon Trail, P.O. Box 496006, Redding, CA 96049-6006, (530) 225-3973.

El Distrito de Shasta College se adhiere al reglamento de no-discriminación en el empleo de su personal. (Código Educacional 13274). Raza, color religión, sexo, nacionalidad original o incapacitación (como se diene en la Sección 504 del Acta de Rehabilitación del 1973) no son restricciones para emplear, colocar o avanzar al personal en el Distrito. La Póliza de este Distrito es que a menos que esté especificamente exento por estatuto, todos los cursos están completamente abiertos a cualquier estudiante que ha sido admitido al colegio y que cumple con los requisitos establecidos de emplear, colocar o avanzar al personal en el Distrito. La Póliza de este Distrito es que a menos que esté especificamente exento por estatuto, todos los cursos están completamente abiertos a cualquier estudiante que ha sido admitido al colegio y que cumple con los requisitos establecidos de acuerdo con el Título V del Código Administrativo de California, comenzando con la Sección 58100. El Distrito de Shasta College no discrimina en base a raza, color, religión, sexo, nacionalidad original, edad, incapacitación, estado civil, Veterano de Vietnam, orientación sexual, afiliación a organizaciones o creencias políticas. El uso limitado del idioma inglés no será una barrera para ser admitido a participar en programas vocacionales.

Privacy Rights of Students

The Family Educational Rights and Privacy Act (Section 438, Public Law 93-380) requires educational institutions to provide: Access to official education records directly related to the student; an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate; that the College must obtain written consent of the student before releasing personally identifiable information about them from records to other than a specified list of persons and agencies; and that these rights extend to present and former students of College.

1. Education records generally include documents and information related to admission, enrollment in classes, and grades and related information.
2. The Admissions and Records Office Manager, Administration Building, has been designated “Records Officer”, as required by the Act.
3. Education records will be made available for inspection and review during working hours, by presently and formerly enrolled students, within 45 days following completion and filing of a request form with the “Records Officer.”
4. A student may challenge the accuracy of his/her educational records and request that the Records Officer make appropriate corrections. If these informal proceedings do not settle the dispute with the student’s records, the student may submit an appeal in writing to the “Designated Officer”, the Vice President of Administrative Services, on forms provided by his office. The “Designated Officer” will then assign the matter within 10 school days to a “Hearing Officer,” who is the chair of the Scholastic Standards Committee.
5. During the informal proceedings, the “Records Officer” may make such adjustments or changes not constituting interference of integrity of professional entries. The “Hearing Officer” will set a date for the hearing, at the conclusion of which he/she will render a decision to the President of the College who will make the final decision of what action is to be taken.
6. The Act provides that the College may release certain types of “Directory Information”, unless the student submits in writing to the “Records Officer” that certain or all such information not be released without his/her consent. “Directory Information” at this College includes: (1) student name and city of residence, (2) participation in recognized activities and sports, (3) dates of attendance, (4) degrees and awards received, and (5) the most recent previous education agency or institution attended, and height and weight of members of athletic teams which may be released only by the appropriate athletic staff member or the Director of Physical Education.
7. In addition to the above stated “Directory Information”, we may also report student name, address, telephone number, date of birth, level of education, and major to the federal government, including military recruiting agencies in accordance with Public Law 104-208 and 104-206 (Solomon Amendment).
8. Individuals requesting directory information must specify student’s complete name(s) and any other personally identifiable information that will assist the College to identify the student and research the requested information.
9. Student consent is needed for the release of any non-directory information/records covered by the Act to outside parties (for example: prospective employers) except for those agencies entitled to access under the provisions of the Act (for example: campus officials, other schools, federal educational and auditing officials, and requests in connection with the application or receipt of financial aid).

A copy of the College Policy, Section 438 (P.L. 93—380) and other pertinent information is available for review and inspection in the “Records Officer’s” Office, Administration Building.

California Nonresident Tuition Exemption
For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as “AB 540”)

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

• Requirements:
  o The student must have attended a high school (public or private) in California for three or more years.
  o The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
  o An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

• Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.

• The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.

• Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.

• Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents.”

• AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

California Community Colleges: Complete the form on the reverse. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California: The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: www.ucop.edu/sas/sfs/Programs_and_Policies/ab540faqs.htm. For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University: Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.

Documentation of high school attendance and graduation (or its equivalent) is required by the University of California, the California State University and some California Community Colleges. Follow campus instructions.

Check the box that applies to you -- check only one box:

☐ I am a nonimmigrant alien as defined by federal law. [Nonimmigrant aliens have been admitted to the United States temporarily and include, but are not limited to, foreign students (persons holding F visas) and exchange visitors (persons holding J visas).]

OR

☐ I am NOT a nonimmigrant alien. [U.S. citizens, permanent residents, or aliens without lawful immigration status, among others, should check this box.]

AFFIDAVIT:
I, the undersigned, declare under penalty of perjury under the laws of the State of California that the information I have provided on this form is true and accurate. I understand that this information will be used to determine my eligibility for the nonresident tuition exemption for eligible California high school graduates. I hereby declare that, if I am an alien without lawful immigration status, I have filed an application to legalize my immigration status or will file an application as soon as I am eligible to do so. I further understand that if any of the above information is untrue, I will be liable for payment of all nonresident charges from which I was exempted and may be subject to disciplinary action by the College or University.

DISTANCE EDUCATION

**Summer DE Support** will be available at the Burney, Red Bluff and Weaverville sites during their regular hours. It will also be available on the main campus in Redding, Monday through Thursday, 8 pm in room 242.

DISTANCE EDUCATION (DE) is a method of instruction that is designed to offer courses in other than the conventional classroom setting. Check the schedule, or with your local site, to see what classes are offered and where they are available during the summer session.

INTERNET

These classes are taught using the Internet and e-mail to communicate with the instructor. After registering for an Internet course, students **MUST** e-mail their Internet instructor to receive information for the course (instructor e-mail addresses are listed with the course in the schedule).

**ITV (Interactive Television)**

Live interactive classes taught from either the Redding campus or one of the Extended Education sites, and sent to other "receive" sites via phone lines using compressed video technology. Procedures for examinations, assignments, etc. will be explained at the first class meeting.

**Originating site will be the Redding campus unless otherwise indicated in the schedule.**

The individual syllabus for each Audio, Video, and CD Rom course gives detailed information about class organization and requirements; these vary from class to class. It is the student’s responsibility to provide equipment necessary to participate in the class, or to have access to the equipment. In these classes, it is very important that students maintain a CURRENT address on file with Admissions and Records.

**AUDIO**: These are self-paced home-study semester-length audio classes. Audio class material list available in MP3 format on CDROM or by audio streaming on campus.

**VIDEO**: These are self-paced home-study semester-length classes that include the viewing of videotapes as part of the course assignment.

**CD ROM**: These are self-paced home-study semester-length CD ROM classes, which include purchasing a textbook for the course complete with a CD Rom. If purchasing a used textbook, it **must** contain a usable CD ROM.
