

The Shasta College Trilogy *Continued...*

The Trilogy — Our Timeline

Spring 2014 – The Tale of General Education

Fall 2014 – The Legends of Career Technical Education

Spring 2015 – The Chronicle of Basic Skills Education

Last semester we began the quest of exploring the three educational landscapes offered at Shasta College by writing the *Tale of General Education*. This semester we continue our journey that reveals *The Legends of Career Technical Education*. To participate in the “Exploration of CTE” and to be eligible for prizes, you must get on your designated bus and prepare yourself for the adventures that lie ahead. (Further instructions will be provided to you in the Theatre).
