Dear President Lewis:

Staff has informed me that Shasta College presented an addendum to the Commission as requested by the Committee on Substantive Change on November 20, 2009. This addendum was an update to an earlier Proposal dated December, 2007, requesting to offer programs more than 50% through a mode of distance education or electronic delivery. The Proposal was scheduled to be reviewed in February, 2008, but was postponed until the College was removed from sanction.

The Committee acted to approve the addendum as it answered each of the questions regarding updates on the required elements of the substantive change review, student achievement and success rates, and budget information related to sustainability of the distance education programs.

The certificates and degrees offered more than 50% through the mode of distance or electronic delivery at Shasta College are as follows:

Certificates

Accounting Clerk/Bookkeeper
Computer Networking (CCNA)
Computer Networking (CCNP)
