Superintendent/President
Shasta College

Redding, CA 96049

Dear Superintendent/President Wyse:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 7-9, 2015, reviewed the Midterm Report submitted by Shasta College. The Midterm Report was certified by district and college leadership, including the chair of the governing board, the college president, and leaders of the academic senate and college council.

Based on the College Report and evidence submitted, the Commission determined the College has sustained the work accomplished and has maintained compliance with Standards previously identified in the team report and linked to Recommendations 1 through 4.

Institutions are expected to meet Eligibility Requirements, Accreditation Standards, and Commission policies at all times during the six-year cycle. It is expected that changes and improvements noted in the Midterm Report will continue forward in College policies, procedures, practices and outcomes. This will be verified at the time of the next regularly scheduled visit. Shasta College will submit its Institutional Self Evaluation of Educational Quality and Institutional Effectiveness in preparation for the comprehensive review in **October 2017**.

The Midterm Report submitted in fall 2014 will become part of the accreditation history of the College. The Commission requires that you give the Midterm Report and this letter appropriate dissemination to your College staff and to those who were signatories of your Midterm Report. This group should include the campus leadership, and the Board of Trustees.

The Commission also requires that the Midterm Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no more than one click from the institution's home page.*

Mr. Joe Wyse
