see reverse for additional information
How will Shasta Summit impact you?
You can receive the following messages through Shasta Summit:

• Flags when there is a concern about your academic performance.
• Kudos from your teacher/staff to acknowledge when you’ve done great work!
• Referrals/To-Do’s with campus resources.

How will Shasta Summit keep you connected?

• An email is sent to the address you have on your Shasta College account.
• SMS Text messaging is an option if you complete the set up on your Shasta Summit profile.
• Students can also view all messages by logging into your Shasta Summit account.

What Is the Purpose of a Flag?

• Immediate short-term intervention.
• Recognize success and improvements.
• Pro-active requests for support.
• A call for academic help.
• Connection to services and resources.

Please be assured that flags are not:

• A punishment or indication of failure
• A probation notice
• A notice that a student is in “trouble”

How you can use Shasta Summit?

• Take action if you are sent a flag and/or referral by speaking with your instructor, meeting with a counselor, and/or connect with support staff or a campus resource.
• Receive kudos from faculty and keep up the good work & connect with your teacher!
• Schedule appointments with instructors who make this available by including their office hours in Shasta Summit.
• Raise your own flag for general help or specific financial aid help.
