MISSION STATEMENT

Shasta College provides a diverse student population open access to undergraduate educational programs and learning opportunities, thereby contributing to the social, cultural, intellectual, and economic development of our communities. The District offers general education, transfer and career-technical programs, and basic skills education. Shasta College provides opportunities for students to develop critical thinking, effective communication, quantitative reasoning, information competency, community and global awareness, self-efficacy, and workplace skills. Comprehensive student services programs support student learning and personal growth.

Better Jobs is a project of the AEBG (Adult Education Block Grant) statewide initiative.
