UNSHELTERED ADULT HOMELESS ASSISTANCE PROGRAM

This program targets adults who do not have children living with them and are currently homeless. The Unsheltered Adult program works with clients to assist with barriers to housing, bridging the gap with landlords, assisting with housing placement and providing follow up case management services for 6-12 months.

The Unsheltered Adult program does not provide financial assistance for rent, deposits or fees associated with obtaining housing. The Unsheltered Adult program provides case management and support services only. However, there is grant money available to assist clients with items such as ID cards and RABA passes to aid in the search for housing along with items to help get acclimated with moving into housing, such as cleaning supplies, starter kitchen supplies and mail box key fees.

This program employs three full-time case managers.

CALWORKS HOMELESS ASSISTANCE

This program is administered through HHS CalWORKs Eligibility. Homeless Assistance, or HA, provides payments for up to 16 consecutive days of temporary shelter, such as a hotel, or provide payments related to permanent housing. Permanent housing payments could include assistance with security deposits and utility deposits needed to move into a permanent home. For families facing eviction, permanent homeless assistance may provide up to two months of rent arrearages. HA may be received on a limited basis unless other exceptions are met, such as domestic violence, physical or mental illness or uninhabitability of the home. This program provides point-in-time services only and does not include ongoing housing support case management services.

HOUSING SUPPORT PROGRAM

This program is administered through CalWORKs serving families who are homeless. The Housing Support Program, HSP, will fund six to 12 months of rent subsidy, rental deposit, utility deposit, credit check fees and application fees.

Clients also will receive intensive case management for a period of up to 12 months, determined by the client's need level.

The HSP program funds three full-time case managers.

The goal is to house 82 families within 12 months.

COMMUNITY HEALTH ADVOCATES (CHA)

HHS Community Health Advocates (CHAs) are staff who provide direct services to vulnerable clients in order to reduce barriers to housing, health care, food insecurity, education and other personal needs. Seven CHAs reach out to the community to provide support and referral services to over 250 clients each month.

Three CHAs speak Spanish, and one speaks Mien, providing culturally appropriate services, translation and additional assistance related to cultural barriers.

CHAs are located in five of Shasta County HHS's regional offices, providing assistance in the most rural, hard-to-reach areas by providing services where the clients are located.

CHAs refer directly to HHS housing programs and work closely with Eligibility and Social Workers to connect clients to resources.
